Eugene Mikeschin had worked at Shopping Cart Elite for 3.5 years. He has been working in Data since the founding of the department.

He quickly became one of our most valued employees, the person everyone went to with questions and special projects. His dedication and willingness to work long hours to get the job done have made him a favorite team member for everyone among staff.

As a data specialist, Eugene contributed to setting up and optimizing data processes, and showed his great analytical skills and attention to details.

He also contributed to the knowledgebase of our company and developed many guidelines for training employees and ensuring efficient work.

Eugene did an excellent job expanding our data efforts. As a team player, he worked well with his colleagues in data. I recommend Eugene for any position that will draw upon his skills.

Regards,

Igor Soshkin
CEO of Shopping Cart Elite
